

## Forward to LaMoure County Cemeteries

I am Allen E. Konrad, born in 1939 in Pomona View Township of LaMoure County, North Dakota. My career for 37 years was that of a pastor of the Lutheran Church-Missouri Synod, of which 20 years was spent as a missionary in Africa. After retirement, I wanted to offer some kind of service in the area of genealogical research which would assist those hunting for information from the area in which I grew up. Having family in all four counties, in the summer of 2007, I began gathering information on the cemeteries in the North Dakota counties of Dickey, LaMoure, Logan and McIntosh. My goal was to try and identify as many cemeteries as possible, take a picture of each cemetery in its present condition and record the location by global positioning satellite (GPS), the new Rural 911 road identification system, and the county plat method of Section (Sec)-Township (Twp)-Range (R). In my research that follows, you will notice an asterisk (\*) after the name of each cemetery that I saw and photographed.

What follows is a list of cemeteries that I have identified so far. The county information is set up with an alphabetical listing of all townships. Where a township has more than one identified cemetery, the cemeteries are identified beginning with Section 1 down through Section 36. Included in the information about the cemetery, if known, will be a source listed which will direct the researcher to a place where names and dates of those buried in that cemetery can be obtained. My lists of burials give all names in family alphabetical order. Some of the sources I used were attempts to walk through a cemetery and record information from gravestones as they stood one beside the next. To discover in my lists how one person might be related to another, you will need to check out the sources which often reveal relationship by who is sharing a gravestone, or who is buried within a family plot. I have also discovered that a person may not actually be buried where the church records indicate. The body may have been buried in a neighboring sister congregation cemetery, or may have actually been buried where indicated but disinterred and relocated to another place years later.

Since I started this project, I have continued changing my ideas as to what information I would like to include. Originally, I had no plan to show who was buried in each cemetery. Eventually, I decided to compile a listing of burials in as many cemeteries as I could find information on. At first, I put all names together without indicating which source revealed which particular burials. Later, I decided to give a specific color to each source so the researcher can tell by the color of the name and data where the information came from. I wish I had done that right from the beginning. One problem I came across is that the more sources one uses the more chance there is of data conflict in how names are spelled and birth and death date variations. Sometimes, information on a gravestone is so weathered it is difficult to know what the number or letter is. It is not intended that this project becomes the final word, but gives you the opportunity to search electronically for names of deceased throughout the county.

I have noted **Photo Available** to indicate that I have on file a picture of that specific cemetery. The code I have used includes a two digit identifier of the county, the name of the township and then the name of the cemetery or burial site.

In 2010, I finished another cemetery project of photographing the tombstones in cemeteries within a certain distance from Fredonia and Kulm, the two towns I once lived in. After reducing

the resolution of the pictures, I up-loaded them to the internet site. If this is of interest to you, check out [www.northdakotagravestones.org](http://www.northdakotagravestones.org) for photos pertaining to Dickey, LaMoure, Logan, and McIntosh Counties.

If you are aware of any burial site not mentioned in this document, then I would appreciate it if you would contact me with the details so that I can add it to my growing list of cemeteries. As of the beginning of 2011, I can be contacted by mail at P.O. Box 157 Rowley, IA 52329. You can also reach me by e-mail at <onamission@lbt.org>

The land for the cemetery plat was given to the Adrian Cemetery Association by John and Louise Sjordahl for the sum of one dollar and other valuable considerations, by a warranty deed dated September 16, 1930, and signed by John Sjordahl and Louise Sjordahl and witnessed by Lucy Jordan and Mike Delmore. It is evident that the land was given for a cemetery plat many years before, but was never deeded, as the first burial was in 1905. The infant son of Hans Knudson's, Grover Washington Knudson, born December 31, 1903, died January 29, 1905, was the first to be interred there. There were thirty-six burials before the land was deeded to the Adrian Cemetery. The first recorded meeting of the Adrian Cemetery Association was held on April 8, 1931. Herman Paulson was elected as president for a term of two years, Herman Rode for a term of three years, M.A. Anderson to serve a term of one year and H.F. Crandall was elected Secretary and Treasurer. Three men were appointed by the chairman to draw up the by-laws and the constitution of the cemetery association. They were Otto Gehlhar, Cornelius Olson and Charles C. Paulson. The by-laws were adopted at the second meeting and the board agreed they would hire The Dakota Engineering and Construction Company to survey and plat the lots and draw three blue prints for the sum of \$50.00. There was no other recorded meetings until October 25, 1934. Herman Paulson was re-elected as chairman, Cornelius Olson as director, Max Jordan as director and Les Lanning as Secretary and Treasurer. It was decided that they collect fifty cents from each member of the association, the names to be taken from the blue prints of lots sold. It was also decided by a motion that carried, that each lot would have a purchase price of \$10.00. Another meeting was held on September 3, 1935, listing H. Paulson as chairman, Max Jordan and M.A. Anderson as directors. The Secretary was not recorded. The next meeting was recorded on July 7, 1936 with Charles Paulson as chairman, Max Jordan appointed temporary secretary for the meeting. Herman Rode was elected Secretary and Treasurer at this meeting. No meetings were recorded for several years, but on April 6, 1949, a meeting was held in the Adrian School gym to reorganize the Association. At this meeting John Olson was elected director for one year, Clifford Paulson was elected director for two years and Connie Olson was elected director for three years. Herman Rode was elected Secretary and Treasurer for a term of three years. On June 10, 1955 the Adrian Cemetery Association held a special meeting at the John Olson home for the purpose of buying additional acreage for parking and do away with the circle drive and to sell such for lots. It was agreed they would offer \$40.00 for one half acre or a piece 120 feet by 181 feet. The warranty deed was received from Carl Sjordahl, Gladys Sjordahl and John Ernest Sjordahl, dated April 16, 1956. A new fence and gate and entrance were added making it what it

is today. The cemetery is taken care of by Elvin and Jimmie Luck, the cost being assessed to each lot holder's family.

  - Community History: *Alfred, ND – Centennial 1904-2004*, p.369-370. Alfred Cemetery Association – Early 1900's to the present. In 2004, the Alfred American Legion and Auxiliary Unit of Leno-Schlenker Post No. 295, decided to put in place a sign at the entrance to the Alfred Cemetery. We, and, many others, I am sure, never realized that we did not have a proper sign to show honor to our departed heroes, immigrants, friends, neighbors, and relatives. The newly erected arched sign is a beautiful addition to the cemetery. The Legionnaires and Auxiliary wish to thank the many folks who made a contribution to offset the cost of this endeavor. The following people provided a valuable tool for the Alfred Cemetery. They were the Sextons or "record keepers" of each and every burial that took place at the cemetery: Frank Jahnke, Blair Kuhn, Della Kuhn (Della is a lifetime member of the Alfred American Legion Auxiliary; Della passed away in 2003), and William Kuhn. **SPECIAL NOTE:** If you desire to make a contribution to the future upkeep of the cemetery, please issue a check made payable to: The Alfred Cemetery Association and mail to Brenda Mayer, 5412 – 55th Avenue SE, Gackle, ND 58442. Thank you. Newspaper Clip: *Alfred News – Throng at Alfred For Cemetery Dedication* Between 500 and 700 persons on Sunday, Sept. 19, 1939 attended impressive services in dedication of the small cemetery just west of Alfred. F.H. Jahnke, a prime mover, explained various Alfred religious organizations sponsored the service dedicating the ground not as a place of gloom and despair, but as a garden of memory in accord with true Christian conception of a happy Eternal Life. Rev. Rudolph Kirschman of Gackle and Rev. N.E. McCoy, Jamestown radio pastor, officiated, delivering able and inspiring addresses. D.W. Barr, Alfred Presbyterian church deacon, spoke briefly but ably in commending the improvement and dedication of the cemetery. Harry DeWitt, president of the newly organized Alfred Cemetery Association, thanked all aiding improvement of the cemetery. Mr. Jahnke, who greatly assisted improvement work, reviewed improvement steps. The cemetery site was contributed by Richard Sikes, but prior to June 15, 1937, lacked the care deemed due to such sacred ground. Directors of the re-organized Alfred Cemetery Association empowered Mr. Jahnke to take such improvements steps as he saw fit. By June 25, the Resettlement Administration granted permission to use RA labor. Twenty-one new graves were dug on orderly platted lots, and bodies found inadvert-buried on walks, streets and alleys, were reinterred in orderly lots. A new fence was constructed around the present burial site. Elaborate brick pillars serve as entrance posts. Beautiful steel gates were hung. An auto parking place is set aside, with cars barred from the burying ground proper. An observer says: "The small but improved cemetery is an outstanding example of accomplishment thru cooperation of everyone. Fundless when improvement work began, the association retired debts incurred 20 years ago, and fully paid current expenses. This apparently has been accomplished by magic." Alfred people thank all making it possible to conduct all this improvement work.

- Source: *Nortonville, ND – "Golden Jubilee 1912-1962" – Nortonville Cemetery Ass'n.* The Nortonville Cemetery Association began in 1918. Through solicitation money was obtained to buy a half acre of land. This was surveyed and platted by H.H. Hurning, civil engineer, Jamestown. A new fence was bought and placed around the cemetery. A number of the pioneers have been laid to rest in the cemetery. For a number of years there developed a laxity in the care and up-keep of the lots. In 1928 a special meeting was held and a board was elected. The members meet regular each spring. A caretaker is employed the year around by the association. Those who held an office in the association since its organization are: C.E. Moller, J.R. Hollingsworth, James Pile, Mrs. Joe Lewis, Mrs. C.M. Edwards, Mrs. Mary Plonty, Mrs. W.H. Lewis, Mrs. L.C. Brooks, Mrs. Zella Buchholtz, Mrs. Marion Barnick, and Mrs. M.C. Place. The present officers of the association are: Virgil Colberg, pres.; W. Johnson and L. Wirrenga, directors; Mrs. Oria Barnick, sec.; and Mrs. Virgil Colberg, treas.

  - History of Cemetery: The Kulm Messenger—Kulm, North Dakota, Vol. 91, Edition 52, 26 July, 1989, *History of Pomona Valley Lutheran Church*, by Cathryn Berntson Huntsman Pomona Valley Lutheran Congregation was organized in 1888, according to the minutes of the January, 1889 annual church meeting. This was the year that Bernt Larson (Mabel Steen Usina's grandfather and Lester Berntson's grandfather) immigrated from the Elstad farm near Eidsvold, Norway. Bernt's older sons, Sigvart Larson Berntson and Ludvig Larson came to the Kulm area in 1886. Ludvig donated a portion of his land on the North side of Kulm in 1893 for the Pomona Valley Lutheran Cemetery when his sister, Dina Larson, died in January from the flu.

Pictures were taken of each grave marker in June 2009 by Allen Konrad and the dates on markers were compared with Congregational Church records in Kulm, ND and personal genealogical records. Where information existed, the dates were expanded beyond what the markers contained. The [brackets] indicate where marker and records conflicted.   - In a phone conversation between Allen E. Konrad and James Herman (Kulm, ND) on 14 Apr 2010, Mr. Herman noted that Ronald Brost of Kulm, ND informed James that his parents, John and Mathilda Brost, had twins (a boy and a girl). The boy died and the family anticipated that the girl would also soon die. So they placed the boy in an apple box and buried him at the foot of their vegetable garden until such a time that they could provide a proper grave for both infants. However, the girl survived and nothing was ever done to rebury the infant boy.

  - Also known as **Saint Ansgar Menighed Cemetery** – Source: *Cemeteries of Southern LaMoure County North Dakota*, George L. Barron, James River Genealogy Club, Carrington, ND, p. 04. "The sexton is Ben Nelson, 7392 103 Ave SE, LaMoure ND 58458, (701) 883-5152, or Donald Peterson (701) 883-4417. Records here are pretty skimpy. We were able to copy a list of burials, most without dates or details."
  - Source: *Cemeteries of North Dakota – Volume 13 – LaMoure County*, Copied by Mrs. Angela Stott Brennan, Red River Valley Genealogy Society, W. Fargo, ND, 1977, p.1. The document notes this as an abandoned cemetery, but names in its church history confirm this cemetery belonging to Saint Ansgar Lutheran Church just across the LaMoure County boundary in Wright Township of Dickey County, ND.
