== German Boys Grammar School ==

at Tarutino
with government approval for the students and German used in teaching.

The grammar school has a preparatory class for boys from 9 to 12 years with a one-year preparation course in order to enter into the First Class of the grammar school.

=====

== German Girls Grammar School ==

at Tarutino
with instructions in German.

In the First Class of both schools, children are taken from the ages of 10 to 13; in the Second Class from ages 11 to 14; in the Third Class from 12 to 15, and so forth.

The day of the examination will be made known in the *Deutschen Zeitung Bessarabiens* newspaper.

Registration for the entrance examination is to be made in writing to the school administration no later than one week before they begin.

To be submitted with the registration:

- a. Birth Certificate and Baptism Certificate
- b. Vaccination Certificate

- c. 10 lei Administrative Fee; if the male or female student has already attended a school, a Leaving Certificate from this school must be enclosed.

Verbal and written information provided by the school administration.
