See Introduction for a similar set of Death records covering the years 1865 to 1880.

A second opportunity arose to acquire the 319 death records from the Liebental colonies which follow. Funding was provided by Paul Antone, Rich Aspenleiter, Annette Cook, Bob Deck, Harvey Eberle and David Kilwien. These records were written in Latin for some years and in the Russian Cyrillic for others.

A cooperative effort involving Irina Ebenal, Elisabeth Schmidt and Elena Gabriel resulted in the indexes which follow. All final editing performed by Mervin Weiss.
