

Diocese of Tiraspol Roman Catholic Church Death Records, 1865 to 1880

SPEIER, Beresan, Odessa District

The following 360 Death records for the Parish of Speier were read from digital copies of the duplicate records as obtained from the Russian State Archives in the city of Saratov, Russia. At the end of each year, the Parish priest had to submit to Diocese Headquarters in Saratov hand-written copies of the entries from the Parish Baptism, Marriage and Death Registers (books). These hand-written copies are archived today in Saratov. Whatever happened to the original parish register-books in most parishes is unknown, but some originals do exist in various regional archives in Ukraine. The years 1867, 1868, 1871, and 1874 -1877 are not included in this project.

These death records list the maiden names of the wives and the mothers, and also the surviving children of any adults who died. This information will help the Beresan researcher add to the existing family groupings of Speier.

The records were read, translated and indexed by **Will Enus** of Germany, and reviewed by **David Kilwien** and **Rich Aspenleiter**. A special Thank You is extended to Will Enus for his excellent work translating the Cyrillic script.

Diocese of Tiraspol Roman Catholic Church Death Records, 1865 to 1880.

SPEIER, Beresan, Odessa District

Background: For a brief period of time in 2017, the Reading Room policies of the Russian State Archives in Saratov allowed users to copy pages with their cell phones. A research group in Germany arranged for an associate to visit the Reading Room in Saratov and to begin copying all the Catholic Church records for the Diocese of Tiraspol. The death records for ALL of the Catholic Parishes of the Diocese of Tiraspol for the years 1865, 1866, 1869, 1870, 1872, 1873, 1878, 1879, and 1880 were copied by cell-phone camera before the policy was changed. And so the project ended before it had hardly begun. (Many of these parishes fall outside of the normal research scope of the Black Sea Germans.)

The death records list the maiden names of the wives and the mothers, and also the surviving children of any adults who died. This information will help the Beresan researcher add to the existing family groupings of Speier,
