

Diocese of Tiraspol Roman Catholic Church Death Records, 1865 to 1880

Heidelberg, Molotschna, Taurida

The following 535 Death records for the Parish of Heidelberg were read from digital copies of the duplicate records as obtained from the Russian State Archives in the city of Saratov, Russia. At the end of each year, the Parish priest had to submit to Diocese Headquarters in Saratov hand-written copies of the entries from the Parish Baptism, Marriage and Death Registers (books). These hand-written copies are archived today in Saratov. The years 1865, 1866, 1869, 1870, 1872, 1873, 1878, 1879, and 1880 are included in this project. A special Thank You to **Marina Vollmer** for her excellent help with these Catholic Church death records from Heidelberg, Taurien Gubernia of old South Russia.

These death records list the maiden names of the wives and the mothers, and also the surviving children of any adults who died.
