

Diocese of Tiraspol Roman Catholic Church Death Records, 1866 to 1880

KRASNA, Bessarabia

The following 376 Death records for the Catholic Parish of Krasna in Bessarabia were read from digital copies of the duplicate records as obtained from the Russian State Archives in the city of Saratov, Russia. At the end of each year, the Parish priest had to submit to Diocese Headquarters in Saratov hand-written copies of the entries from the Parish Baptism, Marriage and Death Registers (books). These hand-written copies are archived today in Saratov. The years 1866, 1870, 1872, 1873, 1878, 1879, and 1880 are included in this report. A special Thank You to **Svetlana Kostenko** of Odessa for her excellent help with these Catholic Church death records from Krasna.

St. Josef's Catholic Church, KRASNA

These death records list the maiden names of the wives and the mothers, and also the surviving children of any adults who died. Hence they will be helpful in the study of the family groupings of Krasna.
