

Diocese of Tiraspol Roman Catholic Church Death Records, 1869 to 1880

KOSTHEIM, Molotschna, Taurida

The following 245 Death records for the Parish of Kostheim were read from digital copies of the duplicate records as obtained from the Russian State Archives in the city of Saratov, Russia. At the end of each year, the Parish priest had to submit to Diocese Headquarters in Saratov hand-written copies of the entries from the Parish Baptism, Marriage and Death Registers (books). These hand-written copies are archived today in Saratov. The years 1869/70, 1872, 1873, 1878, 1879, and 1880 are included in this project. These death records list the maiden names of the wives and the mothers, and also the surviving children of any adults who died.

A special Thank You to **Marina Vollmer** for her excellent help with these Catholic Church death records from Kostheim, Taurien Gubernia of old South Russia.
